

# Can you complete this week's fine motor challenges?

Wednesday: Find a stick on your walk and wrap a wool or ribbon around it to make a decoration.

Tuesday: Draw around your hands, colour or paint it and cut around the hands. You can make your own hand rainbow.

Thursday: Use spaghetti or pipe cleaners to put on beads or penne pasta. Can you create a pattern?

Friday: Use playdough to create your favourite animal.

Monday: Use a pencil sharpener to sharpen all your pencils today.
