

# Write this way.... Adventure awaits!

Each week we will share 1 picture and 1 clip with activities for you to try. You can also add in your own ideas. When you have finished we would love to see your work so please share your ideas!

Image: Tiny dragon

**Write a short story based on the picture above.**

Whose story could this be? Where is it set? Could it be a story from the point of view of the tiny dragon? Could it be from the point of view of a child that has found it?

What kind of story is it? What happens in this story? How will your story begin and end?

**You have found this tiny dragon somewhere outside today. Write a diary entry about this day.**

Where did you find it? Can it talk? Does it fly? Have you told anybody, or have you decided to keep it a secret? How did you feel when you found it? What are you going to do about it? Does it need your help?

**Why not try ...**

- Design your own fictional beast (it could be a dragon). What does it look like? What powers does it have? Is it good or bad? Label it and add colour.
- Create a home for your creature. Draw it or make a 3-D model out of objects from around your home.
- Make a cartoon strip about a day in the life of your creature. Is it saving the day or causing chaos?

Clip: Mega City.

<https://www.literacyshed.com/megacity.html>

**Design an advert/poster for your own pet food using persuasive vocabulary.**

Can you think of a snappy slogan? Think about rhyme, alliteration or a play on words.

Have you described the benefits of this product? How does it stand out from the rest? *Wholesome, delicious, organic, nutritious.*

Have you asked questions to intrigue your audience? The use of rhetorical questions.

Have you used exaggeration? *The nation's favourite/Unbeatable in value.*

**Write a setting description for one of the scenes in the story.**

You could choose the bustling city where the boy and dog are on the street.

You could choose the setting of the image above and describe that.

Remember to use figurative language. *It was as if, for a moment, the world stood still. A sea blue sky.*

*Write about the senses. What can you see? What can you hear? What can you smell?*

*Both settings are very different to one another. How?*

**Why not try ...**

- Designing your own logo for a can of pet food.
- Look at Andy Warhol's art-work of Campbell's tomato soup. Can you produce something similar using a tin of food from your cupboard or using the tin you have just designed above? Try this using drawing and coloured pens or on your computer.
